

MEDIA RELEASE

DOG REGISTRATION

Dog owners are reminded that dogs are required to be registered annually under the *Dog Registration Act 1936* (NI) (the Act); there are penalties under the Act for a person who keeps a dog that is not registered.

The cost to register a male or female dog (entire) is \$85.00 or, to register an animal that has been spayed, \$30.00. Dog registration fees can be paid at the Customer Care offices on New Cascade Road. Registration fees are now overdue, and we encourage owners to register their animals as soon as possible.

Dog registration forms are available on the Council's website; go to the main menu item Your Council and navigate to Council Documents > Forms> Registry> or, type the following link in to your browser <http://www.norfolkisland.gov.nf/council/council-documents/forms-registry/registry-dogs-application-register>.

Hardcopies of the Dog Registration form are also available at Customer Care.

If you require more information about dog registration, please contact us by emailing customer care@nirc.gov.nf or by phoning 0100 Monday-Friday, 9 am till 4 pm.
