NEW- Fish ID Guide

A brand new Fish ID Guide has been created by Susan Prior, an avid swimmer with a fascination of the incredible reef life around the island.

“This guide is by no means exhaustive, but it does represent the most common fish that you can expect to see” The guide features 95 coloured photos, however space precludes including some of the rarer species, so for additional photographs check out the website www.norfolkislandreef.com.au.

Also included is How to Use the Guide, Reef Etiquette and other ways to see the Reef.

The Guide costs \$10 and can be purchased from the Visitor Information Centre, Norfolk Island Museums, Prinke Eco Store, Norfolk Land and Sea, and Frankie and Eve's Bookstore.
