

Road Closures for Grassy Road

The Norfolk Island Regional Council wish to advise that a section of Grassy Road will be closed for the purpose of extensions to the Water Assurance Scheme. The road closure will be between 45 and 48 Grassy Road. This needed to be rescheduled due to weather delays.

The work is planned for Thursday 20th May from 8:30am to 5pm. This is subject to change due to weather conditions and the community will be advised through Norfolk Island Radio and Council's Facebook page.

No simple detour can be made in this location and road users in the upper end of Grassy Road will be required to access Burnt Pine via Mission Road and Douglas Drive. Detour signs will be located at both ends of Grassy Road and also the lower end of Mission Road.

The road only needs to be closed at 45 Grassy Road. All other properties will continue to have access to their driveways from either end of the closure.

Council apologise for any inconvenience this may cause.
