

## New Equipment for the Lions Park

The Lions Park play equipment area is closed until early September 2021 to allow for the installation of new play equipment.

The new equipment will include a:

- basket swing
- expression swing
- standard swings
- two new slides
- rock climbing wall
- fire engine
- carousal corkscrew spinner

Modern rubber soft-fall will replace the existing wood chip, and a Ninja course added later in the year.
