Museum visit to *NI-Connect* Holiday Program

The Pier Store red postbox went travelling on Wednesday. Quick drive uptown to the Parish Centre where *NI-Connect* is holding its holiday program.

A table full of kids were given a talk about the different ways people communicated in the past including telegrams and Morse code at the ANZCAN cable station, letters and postcards. Some beautiful postcards were coloured in by participants to enter the museum competition. The postcard of St Barnabas proved especially popular!

If your child didn't get a chance to enter the competition – don't worry entries stay open until the end of the school holidays and the postcard entry paper can be picked up at the Pier Store.
