

BUSINESS DIRECTORY LISTINGS

The Norfolk Island destination website has maintained a Business Directory for over 10 years. Recently, Tourism staff have been updating all business listings to include business contact details. <https://www.norfolkisland.com.au/visitor-info/business-directory>

“Our island may be small, but we offer a surprising number of shops, restaurants, clubs, businesses and services. Whatever it is you’re looking for on Norfolk Island, you’ll find 360° of convenience and peace of mind in our handy business directory. In the unlikely event you can’t find what you’re looking for, ask the friendly team at our Visitor Information Centre – we are here to help make your stay in paradise a perfect one!”

Listing your local business or service is free, and enables visitors to discover the wide variety of businesses and services we have on offer. Currently we have over 100 business listings but we would love to have more! So if your business or service is not yet listed, please contact staff at the Visitor Information Centre (email nitourism@nirc.gov.nf, phone 22147) for an application form. Once you return the completed form with up to 5 images, Tourism staff will get your business listed. We can include a link to your website, Facebook page or Instagram account to help drive traffic to your business and increase your clientele.
