

SCHOOL HOLIDAY SCAVENGER HUNT IS HERE!

The wait is almost over! Get ready to search for our pesky missing convict teddy this school holidays.

Pick up your scavenger hunt booklet from one of the museums, and follow the clues to find him.

This holiday scavenger hunt program was developed by Year 10 student, Riley Quintal, who completed two weeks work experience with us in November 2021. It was our privilege to have Riley work with us, providing new ideas and developing the program activities for our whole community to enjoy. We'd like to take this opportunity to thank Riley for his hard work and initiative.

Come and join the scavenger hunt between 4-28 April by visiting one of the museums to collect your clue book.

All children and local residents have free entry to the museums. We hope to see you there.
