

## CALLING ALL NORF'K POETS, SONGWRITERS AND AUTHORS

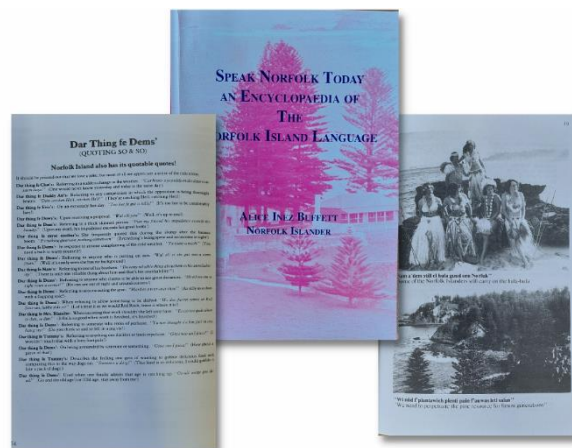

Are you a poet, songwriter or published author with written content in Norf'k language? We'd love to hear from you.

After the success of the very first Library school holiday program, we are looking to create another fun series of events for school children during the next school holidays.

Norf'k is well known for its history, and it is important that we continue to maintain records of our history and share it with younger generations. This is why we would like to offer an opportunity to those members of our community who have knowledge of the Norf'k language, and to share it during a dedicated holiday program over three days during the June school holidays.

If you have published any written works (books, stories/tales, dictionaries etc), written songs or poems in Norf'k language, then please get in contact with [customercare@nirc.gov.nf](mailto:customercare@nirc.gov.nf) to express your interest in participating in the Library holiday program.

We're also looking to create a dedicated section of the library for local published authors, poets and songwriters, with content in Norf'k language or in English. If you'd like to have your content included, please get in touch with us.
