

LIBRARY BEAN BAGS

Last year the Council conducted a customer service survey to gather ideas about the types of services that the community would like to see in the new Public Library. We thank everyone who took the time to participate in the survey.

One of the most mentioned items in the responses we received was to have additional furniture in the Library to enable individuals to sit and read. This week bean bags for the children's reading area arrived, and they're a great addition to that corner of the library!

We hope to have reading chairs for other sections of the Library soon. More information about the public library, including the current opening hours, can be found on our website at <http://www.norfolkisland.gov.nf/services/library>

Our catalogue can also be viewed online at <https://norfolkisland.softlinkhosting.com.au/liberty>
