TOURISM NEWS

Watawieh yorlyi and a big welcome to our visitors,

Channel Seven Weekend Sunrise is the number one weekend breakfast show, hosted by Monique Wright and Matt Doran. The show is made up of Australian and world news, sport events, interviews, and light-hearted features. It goes to air Australia-wide every Saturday and Sunday 7:00am to 10:00am. James Tobin has been the weather presenter since 2009, and is back on the island this weekend for his 8th visit!

Saturday 11 June the live weather crosses will be televised from the Hundred Acres Reserve area with focus on the community tree planting, coral berry crusade volunteers, the endemic land snails, Tea Shire Drive experience, and the Homestead Restaurant.

Sunday 12 June the live weather cross location is at Kingston, the World Heritage site. Broadcasts will feature glamping with Island Wanderlust, the Glass Bottom Boat tour, Norfolk Island Marine Park, ghost tales, and a food/coffee feature.

Weekend Sunrise broadcasts commence from 8:00am (Norfolk Island time), with 6 weather crosses each day. One of Norfolk's major wholesalers has provided the call to action for an amazing holiday package deal to be promoted on the show, and via social media.
