

## TOURISM NEWS

Watawieh yorlyi and a big welcome to our visitors.

### **That's a wrap for the Channel Seven Weekend Sunrise weather crosses.**

Last Saturday six live weather crosses were broadcast from around the Hundred Acres Reserve area, focusing on the community tree planting and Coral Berry Crusade Volunteers, the endemic land snails, the Tea Shire Drive experience, and the Homestead Restaurant.

On Sunday, the six live weather crosses focused on Kingston with glamping, ghost stories, the Floatchella event, the Glass Bottom Boat experience, and the Norfolk Island Marine Park. An amazing holiday package deal was promoted during the show and throughout the weekend via social media.

As always, a huge thank you goes to the incredible local sullen who kindly assisted over the weekend by providing their time with product and props, and who were willing to chat on camera, helping to showcase our beautiful island home.
