

ELECTRICITY ACCCOUNTS

Electricity invoices for the June quarter were posted to customers on Tuesday 2 August 2022.

Customers are advised to expect a higher bill than normal as the number of days in the reading period is 106, as compared to 74 days for the March quarter; the June period is from 27 March to 11 July. The due date for invoices is 31 August 2022.

Council apologises for the delay in issuing these invoices and thanks the community for their patience.
