

## MEDIA RELEASE

---

### Community Planting Morning

Yorlyi are all invited to come and plant a tree (or many) on Sunday morning at:

**Bumboras Reserve**

**Date:** Sunday 20<sup>th</sup> August

**Time:** 9am onwards

Please bring: water, sun protection, a spade, wheelbarrow, and hammer/mallet if you have one!

This planting will take place along the bank of the driveway. Access is from the top.

Please be ready to dig a couple of holes and spread some mulch too!

**\*\*Please WASH YOUR TOOLS before coming to the reserve. Phytophthora, a very harmful soil pathogen, has been identified in various parts of Norfolk. It can spread easily in soil left on boots or gardening tools. We will provide a sterilisation station before and after the planting but please ensure your tools are clean of soil and mud before arriving. This will protect the reserve, and equally your property going home.\*\***

We'll have a cuppa and morning tea to finish up.

**Sii yorlyi deya!**
