

MEDIA RELEASE

31 July 2024

NORFOLK TELECOM ROLLS OUT NEW DATA PLANS

Norfolk Telecom is introducing new monthly data allowances for their \$30, \$50, \$90 and \$180 plans from 1 August 2024.

Existing customers will be automatically transferred to a new plan with the same monthly fee currently being charged but including the benefits of increased data included in the new plan. The \$10 plan will not change.

Enquiries about changing existing plans or opening a new account can be made through Customer Care or by calling 22001.

ADSL 30 - \$30 per month / 50GB peak + 50GB off peak. Additional data use cost of allowance is \$4/GB

ADSL 50 - \$50 per month / 100GB peak + 100GB off peak. Additional data use cost of allowance is \$3/GB

ADSL 90 - \$90 per month / 100GB peak + 200GB off peak + unlimited over weekends. Additional data use cost of allowance is \$2/GB

ADSL 180 - \$180 per month / 250GB peak + unlimited off peak + unlimited over weekends. Additional data use cost of allowance is \$1/GB

Additional data costs for use above the plan allocation apply as shown. Note that peak hours are from midnight to 3:00pm and off-peak hours are 3:00pm to midnight.
